Launching Our Dedicated Memory Care Floor

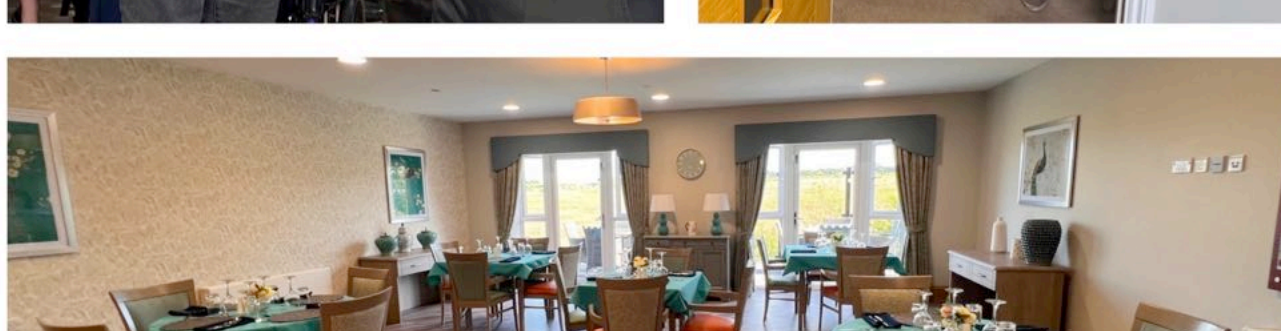

Introducing: Marlowe Memory Care Floor

We are thrilled to announce the opening of our newest floor, Marlowe, dedicated exclusively to memory care. Marlowe represents a significant expansion of Lark View's commitment to providing specialised dementia care within our home.

The repurposed rooms on the Marlowe floor now boast a vibrant social club and a serene relaxation room, meticulously designed to cater to the unique needs of residents living with dementia. These new spaces are intended to foster a supportive and engaging environment where residents can thrive and feel at home.

The decision to open Marlowe comes as Lark View Care Home reaches optimal occupancy levels, necessitating additional specialised care facilities to accommodate more individuals in need. This expansion allows Lark View to establish a dedicated dementia community alongside its existing residential community, ensuring that every resident receives tailored care that meets their specific needs.

Baking Class

Tasty Treats

Our residents had a wonderful time during our recent baking class. They rolled up their sleeves and got messy in the kitchen while making delicious cheese scones.

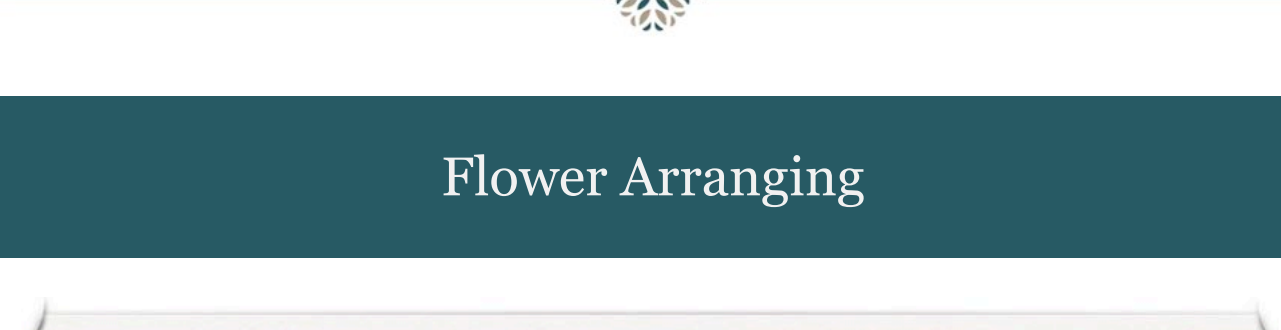

Zoolab Visit

Good Times

We want to express our gratitude to the team at Zoolab for bringing a selection of exotic animals for our residents to hold and touch. It was a super experience for everyone involved.

Flower Arranging

Creating a Masterpiece

The residents showcased their floristry skills during our flower arranging activity. The finished results were truly beautiful and brought joy to all who saw them.

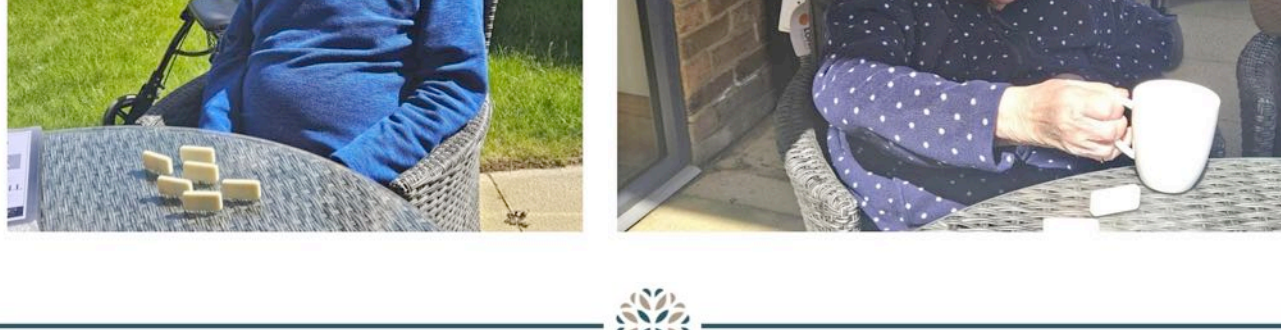

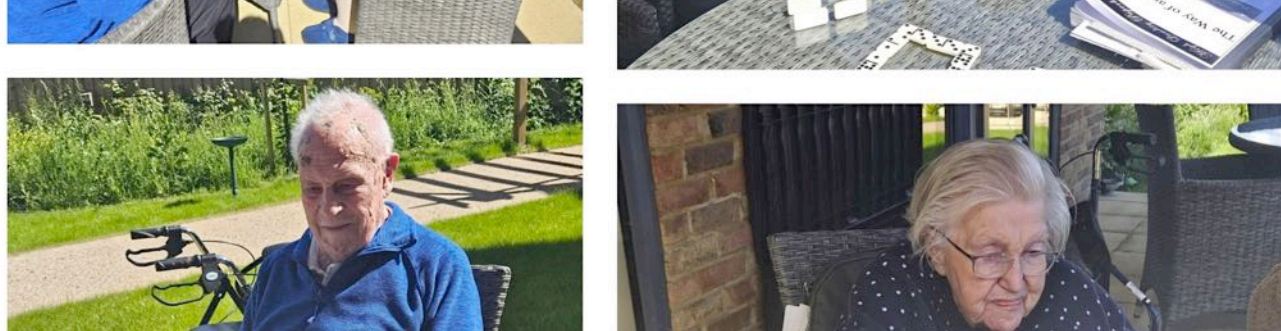

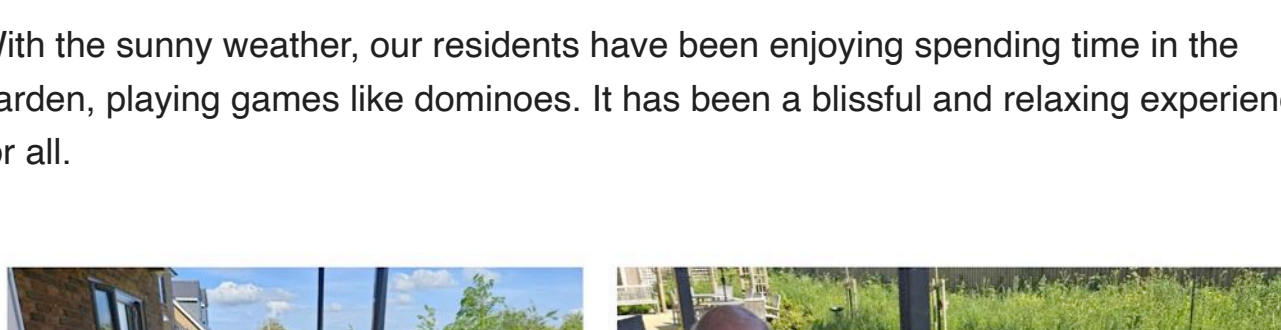

National BBQ Week

Delicious

We celebrated National BBQ Week by hosting our very own barbecue in the garden. The event was a great success and we look forward to hosting more outdoor events throughout the summer months.

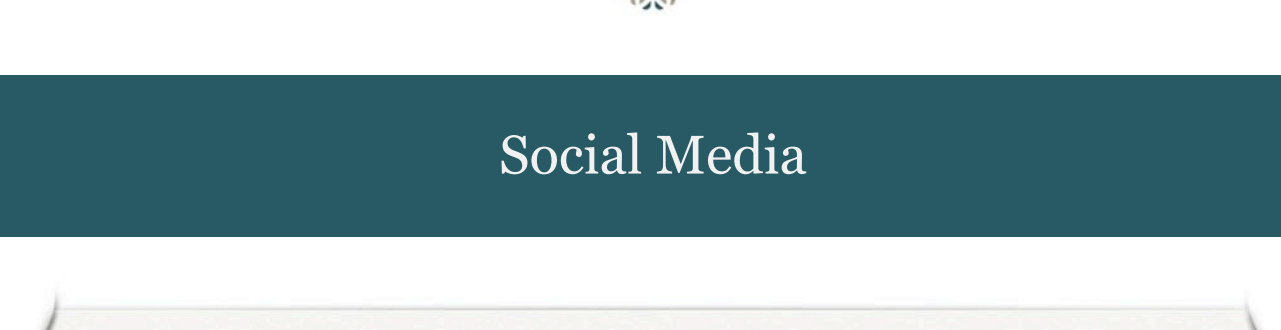

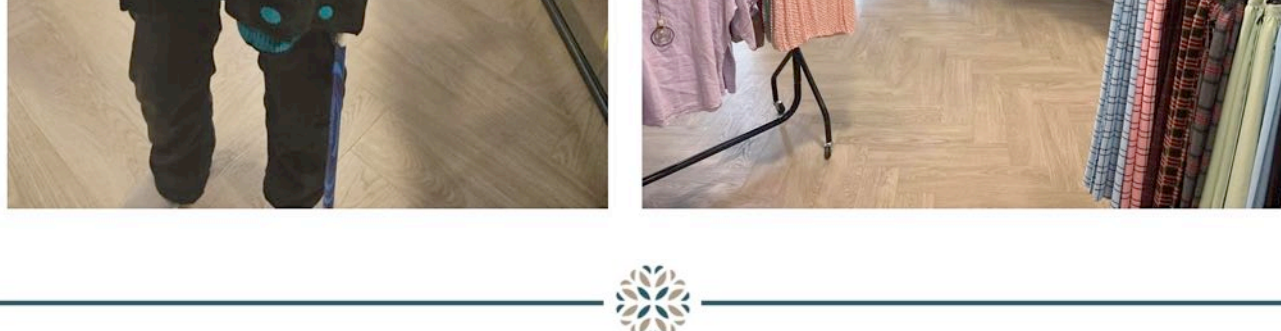

Time in the Garden

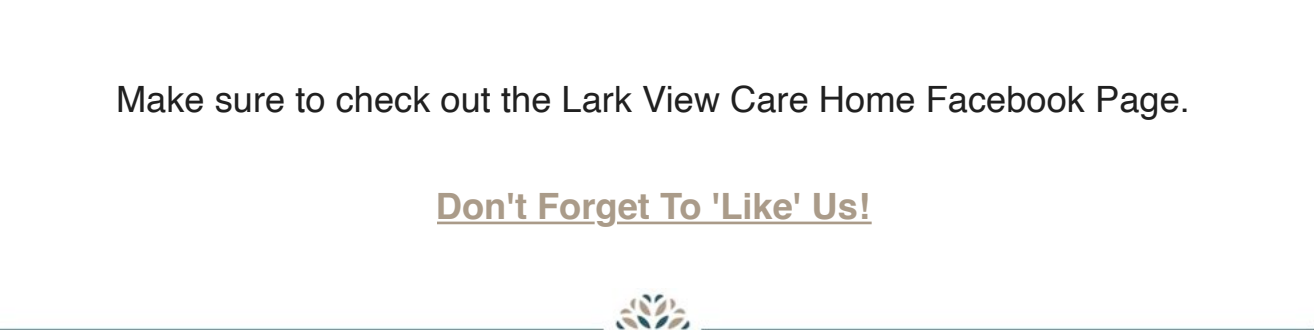

Change of Scenery

With the sunny weather, our residents have been enjoying spending time in the garden, playing games like dominoes. It has been a blissful and relaxing experience for all.

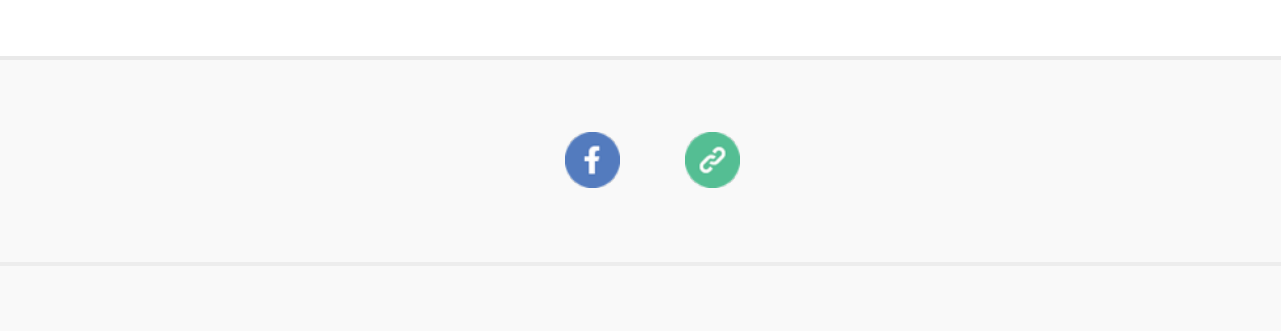

Retail Therapy

Meaningful Activities

In response to our residents' request, we arranged for a mobile retailer, Gemini Fashion, to transform our cafe into a boutique. Our residents were able to enjoy some retail therapy right here at home.
