Green Fingers

As the seasons change, we are busy making our already beautiful home even more inviting. Our residents have taken the initiative to plant wonderful tubs filled with vibrant blooms for spring and summer. Each tub is a testament to their creativity and care, and it's heartwarming to see our communal spaces come alive with colour. We look forward to watching these flowers flourish, bringing an extra touch of nature's beauty to our home.

Good Times

Our regular live entertainment events are a resounding success! Residents are treated to beautiful sounds from local performers, and the atmosphere fills with joy and singing. These musical afternoons are a wonderful way for everyone to come together, unwind, and celebrate the power of live music. We are grateful for the talent brought to our home, as it truly enhances our community spirit.

Supporting Faith

Spiritual Wellbeing

Our residents enjoy a heartfelt church service, bringing the community together in faith and reflection. The joyous singing and shared prayers created a warm atmosphere of support and connection. It's a time for residents to gather, share their thoughts, and find comfort. We look forward to continuing this cherished tradition and nurturing spiritual wellbeing.

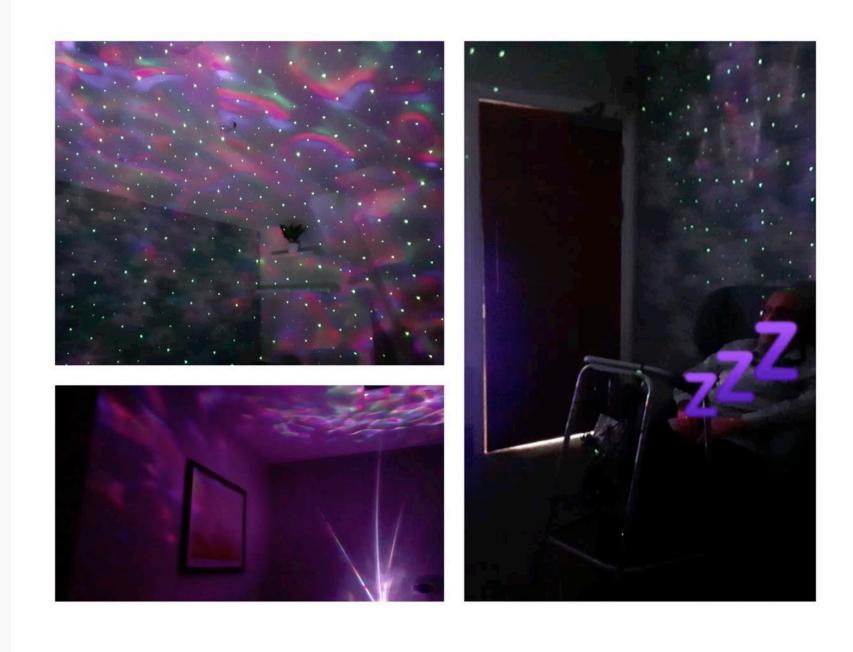

Wellbeing

Relax & Rejuvenate

Our commitment to wellbeing is at the forefront of our activities. Recently, residents enjoyed a tranquil afternoon with guided meditation in our sensory room. This serene setting allows everyone to relax and unwind, promoting mindfulness and peace. Our sensory room is a wonderful space, and we encourage residents to take part in future sessions to enhance their mental and emotional health.

Tasty Treats

In a delightful trip down memory lane, residents reminisced about their favourite childhood sweets, sparking joy and laughter. To continue the fun, we set up our very own pick n mix station, bringing back the excitement of choosing sweets. The smiles on everyone's faces as they enjoyed their favourite treats were priceless, reminding us of the simple joys that connect us all.
