GladtoCare Week 2025

Celebration Time

We are delighted to share our involvement in the week-long festivities for GladtoCare Week 2025!

From 16th to 20th June, our care home participated in this national initiative launched by Person Centred Software, aimed at celebrating and recognising the unwavering dedication of care workers. This special week serves as a platform to raise awareness about the significant role that care professionals play in the lives of individuals, families, and communities. It encourages everyone to express their gratitude for the hard work and commitment displayed by care staff. Throughout the week, we engaged in a myriad of activities and events designed to foster appreciation and connection within our community.

The celebrations featured a variety of engaging activities, including themed days such as Motivation Monday, Tune It Up Tuesday, Wellbeing Wednesday, Tasty Thursday and Feelgood Friday. Residents and staff enjoyed an array of events, from uplifting music performances to lively dancing and nostalgic reminiscence sessions, all aimed at enhancing the joyous spirit of the occasion.

Chinese Themed Lunch

Meaningful Activities

We brought a splash of culture to our dining room with a delightful Chinese themed lunch. The atmosphere was vibrant as we transformed the space to reflect the essence of this culinary tradition. Residents enjoyed a sumptuous meal rich in flavours and aromas, and it was heartening to see so many happy faces at the tables.

Garden Time

Fresh Air & Sunshine

With the arrival of lovely summer weather, our residents have made the most of our beautiful garden. It has been wonderful to spend time outdoors, basking in the sunshine and enjoying the tranquility of nature. Our herb garden is flourishing, providing fresh ingredients, while the veggie patch is thriving with a variety of produce. Engaging with the garden not only promotes well-being but also sparks joy and encourages our residents to connect with nature.

Celebrating VE Day

Special Celebrations

We marked a significant historical event with our VE Day celebration. Our dedicated staff embraced the spirit of the occasion by dressing in themed outfits, transporting us back to the 1940s. It was a joyful time to reflect on the past and honour the resilience of the community during challenging times.

Cheese & Wine Quiz Night

Fundraising Event

We had a splendid evening at our Cheese & Wine Quiz Night, held to raise funds for Make-A-Wish UK. Thank you to everyone who attended and made the event a success! The evening was filled with laughter and some friendly competition. Congratulations to the Pink Flamingos team for their impressive victory! Your participation not only made for a wonderful night but also contributed to a worthy cause, and we appreciate your generosity.

Holistic Therapy

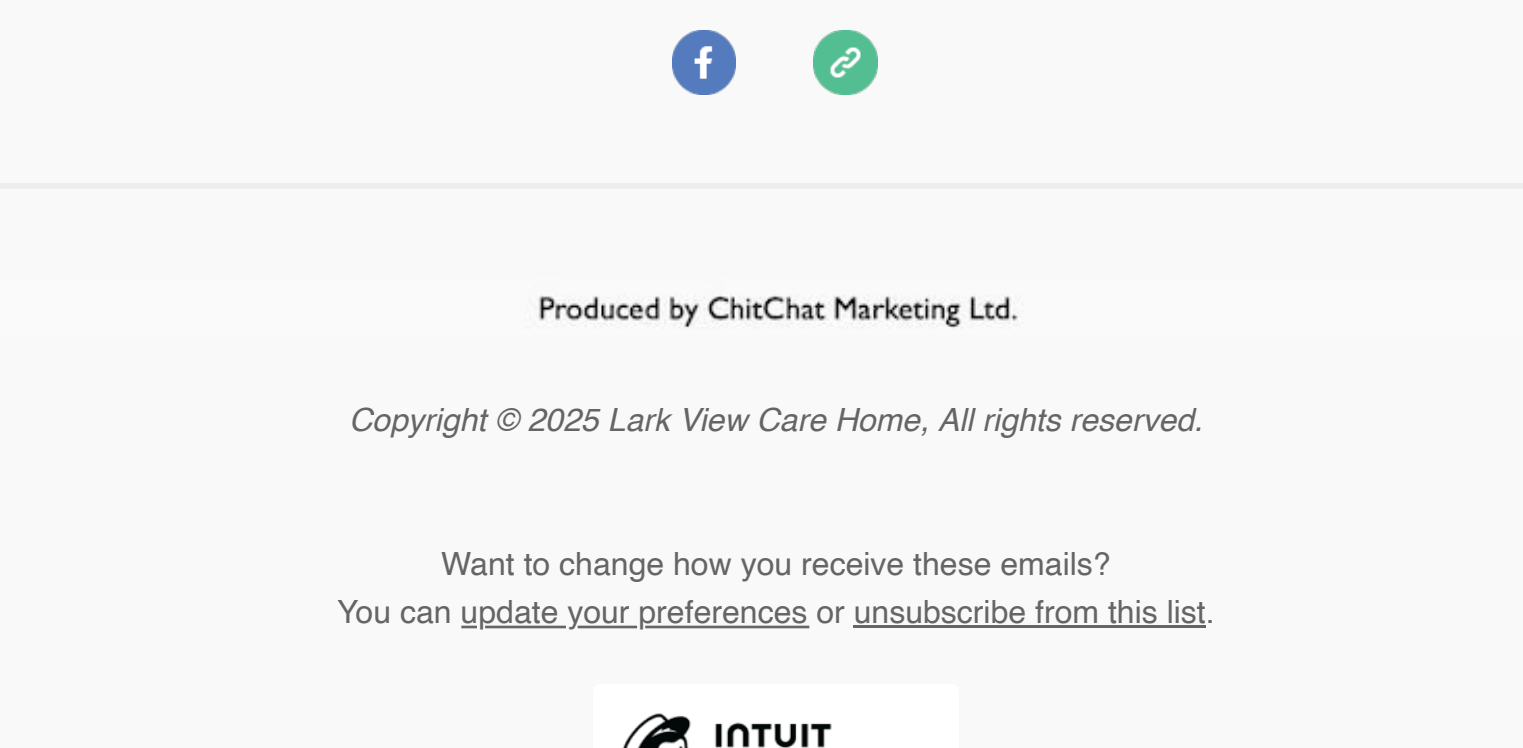

Keeping Busy & Active

We were privileged to welcome the lovely Katy from 'Reiki by the Sea' to lead a session in holistic therapy. Our residents greatly benefitted from her calming presence and expertise. The session offered various therapeutic benefits, helping to promote relaxation and enhance well-being. We look forward to more opportunities for our residents to engage in such enriching experiences that nurture both mind and body.
